Family Outreach

“My Family Outreach worker has been incredibly helpful and has helped us find the services we need in our own community.”

A FAMILY OUTREACH PROGRAM PARTICIPANT

Looking for resources and services for your family? Family Outreach workers can connect you to the support your family needs!

House of Friendship’s Family Outreach Program is a neighbourhood based program funded by the Region of Waterloo that works with families with children aged 17 and under to prevent and reduce the effects of poverty.

Family Outreach Workers walk with families to help meet basic needs by problem-solving solutions together, connecting them with services in their community and providing direct support when necessary.

Believing that we are stronger together, staff work with community partners (faith communities, local food banks, social service agencies) to find innovative solutions to support families living on low income.
